

FIRST Grade Contingency Outline

Mrs. West

First grade will continue to work on skills previously taught in Math and Language Arts.

ELA

1. Read/ Listen to a book
2. Make predictions
3. Identify setting
4. Identify problem in story
5. Identify Solutions
6. Review vowels and syllables and combine them to form words and short sentences.

Students will have a variety of short “brain teasers” to enjoy also.

Math

We will review addition, subtraction and place value of two digit numbers.

MATH - 1ST GRADE					
	Day 1	Day 2	Day 3	Day 4	Day 5
WARM UP	Day of the Month Name Collection for Number of the Day- make 5 names	Day of the Month Name Collection for Number of the Day- make 5 names	Day of the Month Name Collection for Number of the Day- make 5 names	Day of the Month Name Collection for Number of the Day- make 5 names	Day of the Month Name Collection for Number of the Day- make 5 names
DAILY MATH WORKSHEET	Place Value - Number Grid	Domino Addition	Missing Subtrahend	Word Problems	Count on to Add
GAME CHOICE	Penny Plate, Top-it!	Penny Plate, Top-it!	Penny Plate, Top-it!	Penny Plate, Top-it!	Penny Plate, Top-it!
OPTIONAL ONLINE PRACTICE	Connect Ed, IXL	Connect Ed, IXL	Connect Ed, IXL	Connect Ed, IXL	Connect Ed, IXL
	Day 6	Day 7	Day 8	Day 9	Day 10
WARM UP	Day of the Month Name Collection for Number of the Day- make 5 names	Day of the Month Name Collection for Number of the Day- make 5 names	Day of the Month Name Collection for Number of the Day- make 5 names	Day of the Month Name Collection for Number of the Day- make 5 names	Day of the Month Name Collection for Number of the Day- make 5 names
DAILY MATH WORKSHEET	Ways to Write Numbers - Place Value	Ten Frame Addition	Addition and Subtract Missing Numbers	Number Line Story Problems	Doubles Plus One
GAME CHOICE	Penny Plate, Top-it!	Penny Plate, Top-it!	Penny Plate, Top-it!	Penny Plate, Top-it!	Penny Plate, Top-it!
OPTIONAL ONLINE PRACTICE	Connect Ed, IXL	Connect Ed, IXL	Connect Ed, IXL	Connect Ed, IXL	Connect Ed, IXL
Extra Days	Day 11	Day 12	Day 13	Day 14	
	Pick any activity from the DO ANYTIME activities document	Play any Math Games	Make up Your Own Math Game	Write your own number stories	
Games	Materials Needed				
Top-It	Number Cards				
Penny Plate	Plate, Pennies (or other object)				

1st Grade Reading Menu		(Characters and Lessons)	
	Day 1	Day 2	Day 3
Brain Challenge	Trace your left foot and your right foot. Label each foot: one with right and one with left. Now cut them out!	Write your first and last name three times. Don't forget capital letters and lowercase letters.	Write your phone number three times with area code and dashes. Practice saying your address to an adult.
Reading	1. Look at the cover of the book and the title. Make a prediction. 2. Take a picture walk and notice what is happening to the character(s).	1. Look at the cover of the book and the title. Make a prediction. 2. Take a picture walk and notice what is happening to the character(s).	1. Look at the cover of the book and the title. Make a prediction. 2. Take a picture walk and notice what is happening to the character(s).
<i>*Choose one book each day.</i>			
Complete #1-5	3. Read/listen to the story. 4. What was the character's problem in the story? 5. How did the character solve the problem?	3. Read/listen to the story. 4. What was the character's problem in the story? 5. How did the character solve the problem?	3. Read/listen to the story. 4. What was the character's problem in the story? 5. How did the character solve the problem?
Word Work (from your reading book)	Choose one word from your book and create a list of rhyming words.	List words with digraphs and circle the digraphs in each word. (ch, th, wh, sh, -ck)	List words that begin with a blend. (st, sl, bl, br, sk, sc)
	Day 6	Day 7	Day 8
Brain Challenge	Trace your left hand and your right hand. Label each hand: one with right and one with left. Now cut them out!	Practice washing your hands saying the alphabet slowly. Use lots of soap!	Practice tying your shoes.
Reading	1. Look at the cover of the book and the title. Make a prediction. 2. Take a picture walk and notice what is happening to the character(s).	1. Look at the cover of the book and the title. Make a prediction. 2. Take a picture walk and notice what is happening to the character(s).	1. Look at the cover of the book and the title. Make a prediction. 2. Take a picture walk and notice what is happening to the character(s).
